One morning, the body of a sailor is found lying on the beach, washed in by the tide. With no witnesses or any sign of the dead man's boat, Inspector Leo Caldas begins immersing himself in the town's seafaring atmosphere as he endeavours to shed light on the crime. He finds himself among men and women who prefer not to reveal their suspicions to him. But a sudden discovery sets him off in an unexpected direction.

The 2016 edition of the EU Film Festival takes place each weekend from November 11 to December 4 at Carleton University's River Building Theatre.
