

EU Cultural Fair 2024

“The European Union Cultural Fair” showcases the rich cultural heritage of the EU Member States through live music, folk dance performances, games and activities for children, as well as tastings of traditional European foods and beverages.

The European Union Cultural Fair is back at Ottawa’s Aberdeen Pavilion, a celebration for the whole family that includes live music, folk dance performances, games and activities for children, as well as tastings of traditional European foods and beverages.

Throughout the day, participants will also have the opportunity to learn more about Europe’s tourist and cultural destinations at the booths organized by European embassies. In addition, a wide range of workshops will complete the program, which will be available in the next few days.

The Embassy of Spain will set up a booth for the public to explore the rich Spanish culture through games, brochures, videos, and sample typical snacks.
