

The same old story at the 2017 European Union Short Film Festival

Spain will be represented with “The Same Old Story” by José Luis Montesinos.

The fourth edition of the European Union Short Film Festival features three engaging programs of short films from European Union Member States, each showcasing works in a variety of short film genres and styles, including drama, documentary, and animation. These films, from both prominent and emerging filmmakers, will be presented in their original language with English subtitles.

A taste of European traditional food will begin each night of great cinema, courtesy of the diplomatic missions of EU Member States.
