This *zarzuela* created by the Spanish musician Jacinto Guerrero was inaugurated in Madrid in 1926. *The Guest at the Inn* tells the story of a guest who arrives at an inn hidden under a mysterious disguise. Who is this enigmatic guest and what is his purpose?

Through this performance, accompanied by the dramatic melody of this *zarzuela*, we will uncover the answers. *El huésped del Sevillano* takes us to a complicated social scene where the guest falls in love with a gypsy.
